British Journal of
ENTOMOLOGY
and Natural History

Volume 11
1998

Published by the British
Entomological and Natural History
Society and incorporating its
Proceedings and Transactions

British Journal of Entomology and Natural History is published by the British Entomological and Natural History Society, Dinton Pastures Country Park, Davis Street, Hurst, Reading, Berkshire RG10 0TH, UK. Tel: 01189-321402. The Journal is distributed free to BENHS members.

BRITISH JOURNAL OF ENTOMOLOGY AND NATURAL HISTORY

Index to Volume 11, 1998

Compiled by David Young with the assistance of
P. J. Chandler, A. J. Halstead, N. M. Hall, A. W. Jones, A. J. Halstead,
J. I. Robbins and R. D. Hawkins

Dates of publication

Part 1—June 1998
Part 2—October 1998
Part 3/4—January 1999

GENERAL

Additional Records of British Reed Beetles 5
Announcements:
 BENHS Research Fund rear cover part 1
 Professor Hering Memorial Research Fund rear
 cover part 1
 Wanted: Information on the crepuscular
 activities and location of dung-associated
 species in the winter months 128
 Wanted: Records of *Thecla betulae* in Ireland 16
Annual Exhibition reports for 1997
 Arachnida 114
 British butterflies 81
 British macrolepidoptera 84
 British microlepidoptera 89
 Coleoptera 101
 Diptera 98
 Foreign lepidoptera 95
 Hemiptera 110
 Hymenoptera 110
 Illustrations 114
 Mollusca 113
Annual UK Dipterists Meeting rear cover part 2
Armadillidium album on the Sefton coast—
 implications for conservation 78
Aulagromyza lucens, a species new to Britain 172
"Bee-louse" *Braula schmitzi* new to the British Isles,
 and the status of *Braula* spp. in England and
 Wales 139
Bembidion (*Pseudolimnaceum*) *inustum*, an
 interesting new addition to the British fauna
 169
BENHS Conservation Working Group priority
 species lists: macro moths and diptera 73
Book reviews:
 Butterflies and moths of Bedfordshire 120
 Larger moths of Surrey 120
 Natural history of moths 162
Breeding experiment with *Maniola jurtina* ab.
 fracta 149
Catharasia pygmaea new to Britain 1
Cimbex connatus: a rare species of sawfly in the
 British Isles 65
Delayed mating in trio of *Conops quadrifasciatus*
 and the functional male theca 30

Estimate of the range and population levels of
 Fisher's Estuarine moth (*Gortyna borelii*
 lunata) in Essex, July and October 1996 129
Field meetings of the BENHS
 Ryton Wood (Warwickshire) 11 May 1996 51
 Bookham Common, Surrey 29 June 1996 52
 Warburg Nature Reserve, Bix Bottom, Oxon 3
 May 1997 52
 Old Sarum and Grovely Wood, Wiltshire 31 May
 1997 54
 Believer Forest, Dartmoor, Devon 28 June 1997
 60
 Eype's Mouth, Bridport and Abbotsbury, Dorset
 5 July 1997 60
 Colaton Raleigh Common, Devon 26 July 1997
 62
 Wicken Fen, Cambridgeshire 17 August 1997 63
 New Forest, Hampshire 11 October 1997 63
 Sidney Wood, Dunsfold, Surrey 20 June 1998
 151
 Killiecrankie RSPB reserve, Perthshire 8/9 Au-
 gust 1998 164
Food-plants of the brown-tail moth *Euproctis*
 chrysorrhoea in East London 153
Frost survival by *Cryptolaemus montrouzieri* in an
 outdoor situation 163
Individual species impact assessments: a standar-
 dised technique for describing the impact of
 development proposals on critical invertebrate
 species 19
Indoor Meetings of the BENHS
 13 January 1998 114
 24 February 1998 115
 10 March 1998 116
Inheritance of a melanistic form of the 7-spot ladybird
 Coccinella septempunctata 180
Interesting fauna associated with western gorse
 heath on the Long Mynd, Shropshire, includ-
 ing a new county record for *Calomicrus*
 circumfusus 17
Leptarthrus vitripennis, a robber fly new to Britain
 12
Nest of the wasp *Odynerus spinipes* robbed by
 Lasius niger ants 71
New moth records for the Isle of Lewis 160

- New pupal and imaginal aberrations of the Marsh
Fritillary *Eurodryas aurinia* 7
- Notes on the distribution of *Ledra aurita* in Britain
167
- Obituaries
M. Lainé 119
P. J. L. Roche 118
- Observations on the "guest ant" *Formicoxenus
nitidulus* in nests of the red wood ant *Formica
rufa* in 1997
- Officer's Reports for 1997
BENHS research fund 45
Council's report 37
Curator's report 48
Editor's report 49
Librarian's report 47
Professor Hering Memorial Research Fund 46
Treasurer's report 38
- Pallopia anderssoni* sp. n. from Scotland and
Finland 175
- Presidential address (1996)
Part 2 The biology of plume moths 31
- Presidential address (1997)
Part 1 50
- Previously unknown female of *Delias alberti
tetamba* 69
- Recent record of *Oedemera virescens* in Gloucestershire 80
- Surprising discovery of the genus *Yelicones* in
Western Europe 15
- Troilism in *Sicus ferrugineus* 138
- Two flea beetles feeding on *Solanum crispum* 30
- Two new records of the myrmecophile spider
Thyreosthenius biovatus in nests of *Formica
rufa* 72
- Two Red Data Book beetles in Surrey 6
- Ulopa trivialis* in Wales 148

OTHER INSECT ORDERS

ACARI

Varroa jacobsoni 139

NEUROPTERA

Subilla confinis 52

ODONATA

Aeshna caerulea 166

ORTHOPTERA

Myrmeotettix maculatus 18

PSOCOPTERA

Psyllipsocus ramburii 49

OTHER ANIMALS

AMPHIPODA

Orchestia sp. 78

ARACHNIDA

Crustulina guttata 17
 Donacochara speciosa 114
 Thyreosthenius biovatus 72

Zelotes apricorum 17

AVES

Athene noctua 58
 Buteo buteo 58, 166
 Caprimulgus europaeus 58
 Garrulus glandarius 166
 Milvus milvus 53
 Scolopax rusticola 58
 Strix aluco 58, 166

ISOPODA

Armadillidium album 78, 79
 Porcellio scaber 79

MAMMALIA

Capreolus capreolus 58, 166
 Dama dama 53
 Muntiacus reevesi 58

REPTILIA

Lacerta vivipara 57

MOLLUSCA

Arion ater 166
 Limax cinereoniger 113

OTHER PABULA

Beech rot hole 101
 Bonfire ash 98
 Manure heap 102
 Mine spoil 102
 Oak rot hole 99
 Sheep dung 108

PLANTS

Acer 156, 178
 A. campestre 55, 57, 155, 156
 A. platanoides 155
 A. pseudoplatanus 55, 155, 156, 169, 175
